Subject: M6H1 Harvey Response - Updated hotel reservations

Harry and Blake,

We were informed today that you are to report to the TCEQ office instead of the Ellington Field Joint Reserve Base. Because of this, your current reservation at the Hilton Garden Inn has been updated; but due to the inability to cancel these rooms for tonight without a fee, your lodging for Sunday only, 9/17 remain at this hotel. You should check-out in the morning and plan to check-in at the following hotel on Monday, 9/18 thru 9/21 or thru the remainder of your deployment. The check-out date may be adjusted or extended as additional information is determined regarding your scheduled work. I am unable to provide the new confirmation #'s and was just informed that they'll send them in the morning; so, I'll send them to you upon receipt. You shouldn't have any issues though checking in.

When you check in, again provide your travel card as the method of payment. If, for some reason, you have to leave before your rotation ends, PRIOR to leaving, please send an email to R6HarveyLSC and cc me so we can arrange to backfill behind you. It will be very important for us to keep our block of rooms filled so please do not depart before your rotation ends unless directed otherwise or some type of emergency situation arises. Your cooperation will be appreciated. Should you need further assistance, please call me at 214.665.9703. Please also remember to let us know when you arrive to your work location so we can update Asset Tracker. Thank you for your willingness to provide support to R6.

Enjoy your evening.
